ECCA open 25 miles Time trial on the B25/8	Sunday 20 th September 9.00am HQ – East Harling SSC

To all CC Breckland members – as you will see we have a full calendar of events for 2020, we as a club promote the most open TT in the East District – something I feel we should be proud of, however we cannot continue to do so with out the support of our members from Time Keepers, marshals and the invaluable work of our tea ladies. 2019 was a good season for us with many records being broken on our events, we also promoted the National 12 event were, although not a recognized record we saw Joe Skipper ride the longest distance recorded in 12 hour TT history of 323 miles.

Most of events require 6 – 8 marshals, (with exception of the 12 hour which requires 60-70 helpers) this does not sound a lot but at times it like trying to get blood from stone to find 'willing' volunteers from our membership, many times we have had to rely on our club 'regulars' and from support outside of the club.

If you can look at the events calendar and commit to helping at any of the listed event's please let us know.
